## Big Meeting Feb. 1

Zoom in for annual AGM

The Champlain Park Community Association is holding its annual general meeting on **Tuesday, Feb. 1**, starting at **7 p.m.**, and everyone is totally invited!

Given the times, the meeting will be held virtually. Please register at the Zoom link provided on our website, [champlainpark.org](https://champlainpark.org).

We will, of course, have reports from all our hard-working committees but a couple of special guests have agreed to attend.

Many of you know the City of Ottawa has just redone its Official Plan and is about to review its zoning approach, which may impact Champlain Park. Zoning unit manager **David Wise** will help us understand what this could mean for our community.

Secondly, Kitchissippi Coun. **Jeff Leiper** has pledged to be on hand for the many municipal and ward issues that touch on life in CP.

**Coun. Jeff Leiper**

**Planner David Wise**
